### Add on: Natural Plus

Natural Plus is an optional add-on cover that provides benefits for a range of natural therapies, such as massage. Please ask us for more information.

Benefits vary according to cover level. It is the policyholder's responsibility to understand what is and what is not covered by their health insurance policy, therefore this information should be read and retained in conjunction with the **Health Partners Product Disclosure Statement** or **Member Guide**, particularly in relation to limits, waiting periods, restrictions and exclusions that may apply, plus Government incentives and surcharges. A glossary of terms that might assist can be found on the Health Partners website, along with the Fund Rules. If you are requiring treatment, you can call us on 1300 113 113 to check if you are covered and if your provider or chosen hospital is recognised by us.
